

One Hundred First Legislature - Second Session - 2010 Introducer's Statement of Intent LB 810

Chairperson: Deb Fischer

Committee: Transportation and Telecommunications

Date of Hearing: February 8, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 810 would allow cars assigned to the Department of Justice to be equipped with "regular" license plates rather than state government plates. The State Patrol, DHHS, and Tax Commission are already allowed to use cars with undercover license plates.

The Department of Justice uses its own in-house investigators, who are sworn law enforcement officers, to conduct field surveillance and other duties that can be hindered by the use of a state vehicle with government plates. LB 810 addresses this issue.
